- Follow written and verbal instructions
- Teamwork

Experience

Vinal Technical High School / Student in Mechatronics

August 2015 - PRESENT, 60 Daniels St, Middletown, CT 06457

I have the knowledge to read and execute schematics, wiring diagrams, and pictorials. I know Ohm's Law. I have gone on a couple of field trips to other schools where I have performed preventative maintenance on some of their precision machines. I can use digital multimeters, basic hand tools and can solder.
